

GFCE CHICK CHOICES 2024

Please note: Local ordinance requires a 6 bird minimum per purchase. **Chicks are sold on a first come first served basis.** Please make sure you are signed up for email notification when the layer chicks arrive.

First Round of Layer Chicks are expected to be delivered the week ending May 3rd

The Rhode Island Red is a popular breed for brown egg laying production. They are **an excellent chicken choice for backyard chicken flocks because of their egg laying abilities and hardiness.** Rhode Island Red chicks are a good choice for raising baby chickens naturally.

Sku 450001 \$4.00 each

Buff Orpington chickens originated in England, and were recognized by the APA as a pure chicken breed in 1902. These "Golden Chicken Beauties" are a **large, stately chicken with a quiet disposition.** Buff Orpington chickens are one of the best chickens for eggs and for meat. They are white skinned, plump, and juicy for a great dressed out chicken. Many will put their 2 year old chickens in the stew pot and retain the 1 year old hens for laying brown eggs.

Sku 450001 \$4.00 each

Light Brahma chickens are exceptionally quiet, gentle, and easy to handle. Their small pea comb, great size, and heavy plumage make them almost immune to cold weather. They have feathered legs, good layers of brown eggs and excellent brood mothers, and very children friendly for pets.

Barred Plymouth Rock is recognized by the American Standard of Perfection as a distinct pure chicken breed in 1874 and known as the kind of chickens that “Grandma” use to raise. This is one of the color varieties of the Plymouth Rock chicken family and an excellent winter/summer brown egg layer. The Barred Standard Plymouth Rock Chicken is a great back yard poultry for production and very kid friendly.

Sku 450001 \$4.00 each

Red Sex Link is made from two of the best heritage chicken breeds with a long history of egg production. A great choice for raising backyard chickens and chicken breed for eggs or chicken fun. The Red Sex Link chicken is well suited for small chicken coops, larger chicken houses, tractor chicken pens and free range chicken farming.

Sku 450001 \$4.00 each

Black Sex Link This hybrid chicken breed makes for very vigorous chicks, rugged brown egg laying hens and good cockerel chicken fryers. They are great for raising hens for eggs and pet chickens for the backyard or farm. Many customers like the Black Sex Link chicken for raising free range chicken eggs or organic free range chickens. NOTE: These baby chicks look a little small, but their short chick fuzz is deceiving as baby chicks.

The Delaware is a dual purpose chicken with a single comb and a layer of large to jumbo brown eggs. Plumage is nearly white with black feathers around the neck and tail. The bird is docile and a rapid grower.

Sku 450003 \$4.50 each

Dominique's are a great bird with a notable rose comb, barred feathering similar to the Barred Plymouth Rock and a dual all-purpose chicken. They lay medium to large brown eggs. Dominique chickens are generally calm, a gentle breed that makes for a good choice for raising free range chickens because of their barred feather pattern that is thought to offer some protection from aerial predators.

Sku 450003 \$4.50 each

Columbian Wyandotte chickens are a docile bird, clean legs, white with black feather around the neck, tail and wings. They have a rose comb and occasionally will go broody and they make excellent mothers. They lay medium brown eggs and do well in confinement or free range areas.

Sku 450003 \$4.50 each

The Brown Leghorn breed of chicken is very athletic, mature early, hardy, non-sitters and lay very nice large/X large white eggs. They have a good feed-to-egg conversion ratio. This chicken breed is great for free range chicken farming or organic free range chicken eggs. Leghorns are active and efficient foragers and are one of the best for free range chickens that can avoid predators.

Estimated Arrival Baby Ducks Week of May 17th

Rouen Ducks are the basic coloration of the Mallards only larger and do not fly more than 100 feet. They are a French breed that is used both for eggs and meat. A great water fowl for the ranch pond, **they make good backyard ducks and are good for insect control. The Rouen duck is calm, sociable and very entertaining as a pet.** They also make good show ducks.

Sku 450013 \$6.25 each

The Indian Runner Duck is a favorite breed of many people. It is a lightweight duck which matures at about 4 -4 1/2 lbs for the drake and 3 1/2 – 4 lbs for the hen duck. The noted feature is a long and sleek body with an upright carriage. They are a very good egg laying variety, native to Malaysia. This duck does not waddle, they run. Runner Ducks are very active and constantly search for vegetation and insects to eat. They have a strong flock instinct and startle easily.

Sku 450013 \$6.25 each

The Khaki Campbell duck is one of the most prolific egg layers of the duck breeds and if you like to use duck eggs in cooking, then this is the breed for you. They are an avid forager and are very active. They make a good farm or backyard duck. Khaki Campbell duck drakes have an upright posture and a green or bluish-green bill, greenish-bronze heads and backs, with the remainder of the plumage being a shade of khaki tan. Generally the Khaki Campbell duck hen will lay its first egg at 20 weeks of age.

Meat Birds

We are not offering turkeys this year. If you are interested in purchasing turkeys, we recommend contacting Cackle Hatchery, Murray McMurray or Welp Hatchery. You can find them online.

**Pre Order Freedom Rangers Deadline March 11th for Round 1 Delivery week of May 10th.
Straight Run only. Round 2 Pre Order Deadline March 25th for Delivery week of May 24th.**

Freedom Rangers are perfect for free range environments and are a great alternative to fast-growing Cornish chicks. They grow at a moderate rate reaching 5-6 lbs in 9-12 weeks. This makes for a great broiler without some of the health issues that the fast-growing chicks might encounter. They are active, robust birds, suitable for free range, foraging and pasture environments. They thrive if allowed to free range, scratch and dust bathe in sunlight.

Sku 450002 \$2.75 each

**Pre Order Cornish Rock Deadline April 1st for Round 1 delivery week of May 3rd. Straight Run only.
Round 2 Pre Order Deadline April 29th for Delivery week of May 24th.**

The Cornish Rock is a cross between the Commercial Cornish chicken and a White Rock chicken. They were developed for the commercial meat chicken market and have been dominating it for the past fifty years. Cornish Game hens can reach 4 1/2 lbs by 6 weeks of age and cockerels 6 lbs by 6 weeks of age. They grow so fast that their legs may give out from their weight and it is not recommended that they be kept for breeding.
